### **Trading Update**

In February 2010 Wattyl Limited's guidance to the market for the 12 months to June 2010 was \$12-13 million of Earnings before Interest & Tax (EBIT).

Despite the Architectural and Decorative paint market remaining subdued, Wattyl has been successful in achieving revenue and margin growth as well as continuing to benefit from the cost management program undertaken.

Consequently, operating EBIT is now likely to be in the range of \$14-15 million for the Financial Year ending 30 June 2010.
