

GranoTilt-Clean®

Page 1 of 2
Resource Code BOF999999
March 2008

DESCRIPTION

- GranoTilt-Clean® is a high performance washing agent applied directly to tilt-up concrete panels to effectively remove bondbreakers and other contaminants ensuring adhesion of subsequent Granosite systems.

PRINCIPAL CHARACTERISTICS

- Suitable for exterior use.
- Formulated from a unique blend of surface-active agents that attack only the bondbreakers.
- Non-caustic with a pleasant odour.
- Removes only the bond breaker therefore the over spray will not damage other surfaces.
- Ease of application via conventional airless spray equipment.
- Bio degradable, environmentally and user friendly.

COLOURS AND GLOSS

- Green

BASIC DATA AT 25°C

- **Coverage per coat** 7-8M²/L
- **Thinning** Not required
- **Drying time** Once all bondbreakers have been removed, allow the substrate to thoroughly dry prior to painting. There must be less than 15% moisture content in the surface at the time of coating to ensure optimum coating performance.
- **Clean-up** Thoroughly clean equipment with water.

RECOMMENDED SUBSTRATE CONDITIONS AND TEMPERATURE

- Suitable for use on all formed concrete surfaces.
- Surface Preparation is the responsibility of the Builder, Renovator or Main Contractor and the Applicator. To achieve the indicated performance, application must be carried out according to Watty's recommendations.

INSTRUCTIONS FOR USE

- Stir contents thoroughly before use.
- Apply one (1) coat directly to the surface by airless spray gun.
- Leave two (2) – four (4) minutes until the concrete darkens in colour. Rinse thoroughly with clean water.
- **Do not allow GranoTilt-Clean® to dry before rinsing.**

SAFETY DATA

- **Caution** Wear full protective clothing and goggles to minimise skin contact when using GranoTilt-Clean®.
- **Spills and Disposal** Do not allow spilt material to enter drains or other watercourses. Absorb spills with sand or other inert material. Unwanted material should be kept in a sealed container, such as an empty paint can, and disposed of via special waste collection services. Check with your local Council regarding the disposal of empty paint containers
- **M.S.D.S.** A Material Safety Data Sheet (M.S.D.S.) is available on request.
- **First Aid**
If swallowed **do not** induce vomiting. Give plenty of water to drink. Contact a doctor or the Poisons Information Centre. Phone 131126 (Australia).
If in eyes, hold eyes open and flood with water for at least 15 minutes. Contact a doctor if any irritation occurs.
If on skin remove contaminated clothing, wash skin thoroughly with soap and water or a proprietary skin cleanser. Do not use solvents.
If affected by inhalation remove person to fresh air. If breathing difficulties persist or occur later, contact a doctor.

ADDITIONAL DATA

- Available in 15 litre containers.
- Containers must be secured and stored upright during transit.
- Containers must not be exposed to excessive heat or cold.
- Storage must be under cover, away from direct heat, freezing and moisture, in well-sealed containers.
- It is recommended that application be carried out by a skilled applicator, who is totally conversant with the Granosite products and systems, to validate full material warranty conditions.
- For further information, contact the Watty Information Hotline. Phone 132101(Australia).

GRANOTILT-CLEAN® IS A SURFACE PREPARATION PRODUCT AND IS USED IN CONJUNCTION WITH VARIOUS GRANOSITE SYSTEMS. AS SUCH IT IS NOT A SYSTEM IN ITSELF AND SHOULD ONLY BE USED WHERE SPECIFIED.

-
1. This information is provided with respect to the listed Granosite products. Watty recommends that:
(a) you review the Technical Data Sheets (TDS) and Material Safety Data Sheets (MSDS) before you use or handle the product; (b) the product be used only in accordance with the information provided by Watty; (c) the product be transported, stored and handled in accordance with the information on the MSDS and relevant TDS; and (d) you thoroughly test the product, using the recommended application method on a sample of intended substrate, before using the product.
 2. The information in this technical data sheet was prepared using information gathered during product development. While Watty endeavours to update this information and maintain the accuracy and currency of its contents, Watty cannot guarantee that the information provided is wholly comprehensive.
 3. Watty recommends that you conduct such additional investigations as may be necessary to satisfy yourself of the accuracy, currency and comprehensiveness of the information on which you rely in using and handling the product. If you require further information please contact your nearest Watty Office.
 4. To the full extent permitted by law, Watty's liability for breach of a condition or warranty implied into the contract for sale between Watty and you by law is limited at Watty's election to: (a) the replacement of the product; or (b) payment of the cost of replacing the product.
