Designed to inspire the interior designer within you

Teenage boy's retreat

A basketball was the inspiration for this sport-themed bedroom. A fiery orange has been used on the main walls with a feature recess in a rich blue. Soft, white trims are used on the skirting, ceiling and shelving. Use fun accessories such as sports and music equipment to complete the theme.

Teenage girl's retreat

A favourite bed spread provides the inspiration for this bright and fun teenage retreat. Hot pink walls are complemented with deep black trims and accents. A cool grey white colour has been used on the remaining walls to match in with the tones on the bedspread.

Peek-a-boo

Nurseries don't always have to be about pink and blue tones. Soft purples and yellows, or even neutral colours, make the perfect backdrop for fun accessories and pictures.

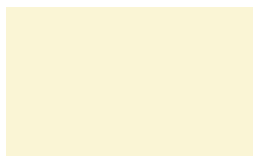

Use Washed Indigo on your nursery walls and a soft yellow such as Linen White on your trims and ceilings. Add in neutral accessories and then have fun with sourcing interesting photos, toys and mobiles to add the final touch.

Little boy wonder

A colourful skateboard inspired this striking and fun room scheme in a boy's bedroom.

Bright red walls provide a splash of colour to the room with a striped lower wall featuring varying shades of yellow. Graffiti art above the bed adds a modern twist to the room. Add in matching accessories such as bedspreads and storage boxes to complete the scheme.
